## Cognitive Law Outsourced

## Smart thinking, readily available, cost effective expertise – on demand.

Access specialist regulated solicitors, who know your business, exactly when you need them, on an ad-hoc or project basis.

Maximise business resources and margins using the economies of scale that come from outsourcing.

No annual contract, no autorenewal, and no long notice periods.

Just affordance legal expertise at the time you need it.

Cognitive Law offers outcome focussed, bespoke legal services available on demand, from legal advisers who know and understand your business.

Agree fixed prices or monthly retainers at a price point suited to you.

Cognitive Law designs solutions to fit your needs, delivered by solicitors who flex their time to suit yours.
