

Annual Legal Health Check

Be in the best position to face the challenges of the year ahead. A quick health check now can help to prioritise any areas that need attention and make sure that you are in the best shape to meet your company's growth targets. A complimentary legal check will be an hour well spent to get a clean bill of health as you start the next phase of your company's development.

We can undertake an overview of all the following elements or take a more detailed look at just one of the areas.

Shareholders and Partnership Agreements

- Ensuring you and your business partner(s) formalise the basis on which you own and run the company

Directors' Service Agreements and Employment Contracts

- Ensuring your directors and staff have their employment obligations formalised

Contract Review (employment and general commercial contracts)

- Making sure you are up to date and protected (particularly regarding restrictive covenants), and advising you on the consequences of signing up to particular terms

Disputes

- With suppliers, customers, employees – finding the best solution for your business

Business structure and transactions

- Share transfers, sales, re-structuring your limited company, and more

Credit Management

- Checking your procedures are in place and work for you to get paid quickly and efficiently
