

WHAT YOU CAN DO AS A CONSULTANT SOLICITOR

(that you probably can't do in a traditional law firm)

1 Wake up in the morning & decide not to do any work

2 Be creative with your pricing

3 Decide you don't want to act for a client

4 Take time off whenever you feel like it & for as long as you like.

5 Give your clients 360 degree partner level service.

6 Dictate your own marketing campaign

7 Work the hours that suit you

8 Decide where you want to work

9 Decline an internal meeting request

10 Only go to the BD events you want to go to

11 Absolve yourself of any supervisory responsibilities

12 Offer a bespoke service
